Week 1-A big thank you!

I wanted to welcome back all of our students, families, and staff, and thank you for your patience, flexibility, and support to our school. There has been a lot of work put in an attempt to make the first week of school as special as possible to all of our families and students.

Week 2-Beginning Regular Schedule

As our schedule for week one has been flexible to support the Welcome Week trainings for staff and parents we will be moving into week 2 regular schedule. Please refer to your child's welcome letter that contains the week 2 schedule for your child for planning purposes.

Week 2-Beginning Regular Schedule (Continued)

- A reminder that Monday, September 7th is Labor Day, and there will be no school on this day.
- Week 2 we will resume our regular start time of 7:40.
- Although starting times and days were different during Distance Learning at the end of last year, it will be consistent after this point during Online Learning.
- Teachers are working with their alike grade levels to create coherent and aligned schedules as much as possible (including lunch).

Coffee with the Principal/Violin Program

Towards the end of the second week and into the third week, I will be having Coffee with the Principal meetings with individual classes. I will also have Mr. Luchs, our Violin Teacher, share information about our program. I will consult with our teachers to schedule the time and they will give parents advance notice on the days and times.

Materials and Supplies Distribution

Here are the days of the distribution and the classrooms assigned for parent pick-up. If you are a new student or you have never checked out a laptop device, we will have a booth ready for distribution.

Online Tech Support

Once again, I appreciate your patience as we start online learning. If for any reason, you have technical issues with your school device, school online programs, codes please email Marylin Obregon in the office to start the troubleshooting process. mobregon@sandi.net

Open House will consist of each teacher having their own Zoom open house Wednesday, 9/16, starting at 5:00pm. Each teacher will have 2 identical sessions to accommodate parents who have siblings. The second Zoom open house will be at 5:30pm for the next group of parents.

For district technical support, call the Online Learning Technical Support Line at (619) 732-1400.

If you need to **exchange** a device for any reason you will need to contact the district tech hotline. From there they will forward you to an exchange center.

- Hours of operation are 8 am - 5 pm, Monday - Friday.
- Saturday Hours: 9 am - 1 pm September 1 - October 31

Zoom Issues?

Make sure students are signed into sandiegounified.zoom.us

If students are having problems joining a Zoom meeting that has been set up for authenticated users, have them follow these steps.

Note: Many issues with Chromebooks can be resolved by restarting the device. Students and parents can refer to the resources provided on this page for simple steps that will resolve the majority of issues not related to damage.

Grab and Go Lunches

On the first day of school, CPJMA opened up for Grab and Go lunches. Students can pick up their FREE breakfast and lunch every school day. Students and parents/guardians can drive-thru or walk-up to the Crown Point meal pick-up/drive-up area in the staff parking lot (southwest corner of Pacific Beach Drive & Jewell Street) to receive their breakfast and lunch, Monday through Friday from 12 p.m. to 2 p.m.

Please note that while students are still not required to be present at meal pick up, we will need to begin identifying which school site students attend. On the first day you go to pick up meals, please bring one of the following forms of proof of school attendance:

- School ID
- The student ID/Password Information card you received with the pick-up of Chrome books
- A paper with your child's name, school, and student ID# written in large and legible print

Along with your meals, you will receive a school validation card. Please keep this with you to show each time you pick up meals.

Curbside grab n' go meal pick-up locations will follow school holidays and will be closed on Monday, September 7th in observance of Labor Day.

There will be no congregate feeding; all food is to be taken and consumed offsite. See social distancing guidelines to stay safe. For pre-cooked frozen meals, see our frozen foods information sheet.
